

SXSW MUSIC 2013 PARTY LIST Brought to You by

FINAL REVISED VERSION: March 7, 2013

THE RULES: If you want a party added, deleted, or changed, let me know ASAP. If you would like to invite me to a private party but not list it, then by all means do!

email: scott (at) sperrymedia (dot) com / twitter: @scottsperry

This is just a personal list I build for myself and am more than happy to pass around, but I do keep it simple & easy to read -- use your connections, Google, Eventbrite, or the SXSW site to look up extra details, addresses, RSVP info, etc.

Carrying this paper will save you a TON of battery life on your mobile device.

All info subject to change, most RSVP, arrive early to guarantee admission.

If this makes your life easier, “thank you’s” are always appreciated, as are any considerations for consulting / marketing work / ad buys on New Music Tipsheet.
